SITUATION SUMMARY

Flood Operation Center(FOC), Department of Water Resources (DWR), Prepositioning of Resources and Personnel (Continued)

- River forecasts will be issued once per day Thursday 11/22/18 through Sunday 11/25/18. Minor rises are forecast on the main stem rivers.
- Flood Operations Branch (FOB) staff are assisting DWR's Security and Emergency Management Program to fulfill four Cal OES mission tasks for assistance with burn scar areas:
    - Flood fight materials to Chico Airport:
        - Two containers were delivered to the Chico staging area on Sunday, 11/18/18. Material from the containers was delivered to Paradise yesterday, 11/19/18.
        - An additional 64 rolls of Visqueen were delivered to the Chico staging area by Sutter Yard staff at 1530 hours on 11/19/18.
    - Flood fight materials to Butte County Fairgrounds:
        - Flood Fight Specialist directed CCC crews to place sand bags around temporary shelters.
        - Sutter Maintenance Yard staff are delivering sandbags to three shelter locations (two in Chico, one in Orland) for use in temporary shelter protection.
        - 8,000 sandbags were requested to be staged at the Butte County Fairgrounds in Gridley to protect the temporary housing for evacuees against potential flooding.
        - Two flood fight material containers are already located at the fairgrounds with 12,000 sandbags each.
        - Cal OES coordinated the transportation to pick up 5,000 sandbags from the Butte County Fairgrounds in Gridley to be delivered to the Nazarene Church in Oroville.
    - Flood fight materials to Evacuation Centers in Chico and Orland:
        - Sutter Maintenance Yard staff arrived at Neighborhood Church in Chico at approximately 1400 hours to deliver 5,000 sandbags. From there they will deliver 10,000 sandbags to the East Avenue Church in Chico, and 4,000 sandbags to the Glenn County Fairgrounds in Orland.
    - Flood fight materials to Los Alamitos:
        - Cal OES requested two flood fight material containers to be pre-deployed near the Cal OES Regional Operations Center in Los Alamitos.
        - Four containers are already staged at this location. Staff is available to provide access if needed.
    - Staff:
        - Flood Fight Specialist will assess four additional shelter locations (two in Chico, one in Oroville, and one in Orland) and provide recommendations for temporary shelter protection.
        - Four flood fight specialists (two from North Region Office and two from DFM) have been identified to provide technical assistance on Visqueen placement to cover burned parcels to prevent hazardous materials from being washed into waterways. Two are on site in Paradise as of 11/20/18 and two are available for future deployment if needed.
        - Three safety engineers have been identified to evaluate field and working conditions. One has been deployed to Chico, and two are available for future deployment, if needed.
- FOB staff will continue to monitor and assist through the holiday weekend as needed.
- Updates will be provided if necessary.
- Precipitation can be monitored at the following website: http://cdec.water.ca.gov/california_burn_areas.html .
