State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Level 1	Level 2	Normal Operations	Level 2

Flood Operation Center (FOC), Department of Water Resources (DWR), Prepositioning of Resources and Personnel

- A weather system is bringing rain to California through Sunday 12/02/18. Moderate rainfall is expected in northern and central California, lower amounts expected in central and southern California. Thunderstorms have been observed in central and southern California and are expected to continue through Thursday afternoon and evening, 11/29/18.
- A Flash Flood Warning is in effect for the Camp Fire burn scar through 2115 hours tonight, 11/29/18. Heavy rains in the southeastern part of Chico caused sheet flow off of the Camp Fire burn scar, causing several flooded roads, including Hwy. 99. This warning may be extended depending on weather conditions.
- As of 11/29/18, 1659 hours, precipitation thresholds remain the same.
- The National Weather Service will use the following trigger numbers to decide Flash Flood/Debris Flow Warning issuance:
- **2017 Southern California Fires - Updated thresholds for 2018**
  - Thomas Fire
    - 0.4" in 15 minutes
    - 0.6" in 30 minutes
    - 0.8" in 60 minutes
  - Creek, La Tuna, Whittier, Sherpa
    - 0.5" in 15 minutes
    - 0.6" in 30 minutes
    - 1.0" in 60 minutes
- **2018 Southern California Fires**
  - Stone, South, Woolsey and Hill
    - 0.2" in 15 minutes
    - 0.3" in 30 minutes
    - 0.5" in 60 minutes
  - Cranston
    - 0.4" in 15 minutes
    - 0.6" in 30 minutes
    - 1.10" in 60 minutes
  - Holy
    - 0.2" in 15 minutes
    - 0.3" in 30 minutes
    - 0.5" in 60 minutes

GOVERNOR'S OFFICE OF EMERGENCY SERVICES

SITUATION SUMMARY

Flood Operation Center (FOC), Department of Water Resources (DWR), Prepositioning of Resources and Personnel (Continued)

- A weather briefing was held today, 11/29/18 at 1000 hours. The next briefing is scheduled for 12/06/18 at 1000 hours.
- River forecasts will be issued twice per day through Friday, 11/30/18. Moderate rises are forecast on the main stem rivers, but all points are expected to remain below monitor stage.
- Flood Operations Branch (FOB) staff are assisting DWR's Security and Emergency Management Program to fulfill four Cal OES mission tasks for assistance with burn scar areas:
    - Flood fight materials to Pt. Mugu, Port Hueneme:
        - Four containers are staged near the Cal OES Southern Region Emergency Operations Center. Staff is available to provide access if needed.
        - Flood Fight equipment relocated from Los Alamitos to Pt. Mugu. All trailers expected at Pt. Mugu by the end of day, 11/28/2018.
    - Flood fight materials to Ventura County:
        - One container was delivered on today, 11/29/18, at 1230 hours.
    - Staff:
        - Up to nine flood fight specialists (FFS) will continue to work in the Camp Fire burn scar area through 12/08/18 to assist with best management practices to help control erosion. Weather and working conditions will be evaluated daily and work may be suspended for safety concerns. It will be determined at a later date whether the FFS will be required to work after 12/08/18.
        - Staff was not deployed today as part of a stand down order due to windy conditions. Staff will report back to the burn scar area tomorrow.
        - Two safety engineers will deploy tomorrow FOB staff will continue to monitor and assist as needed.
- Updates will be provided if necessary.
- Precipitation can be monitored at the following website: http://cdec.water.ca.gov/california_burn_areas.html .

SITUATION SUMMARY

Cal OES INLAND REGION

- See Fire Activity Slides

Cal OES COASTAL REGION

Storm Related Road Closures, Monterey County

Monterey County: Mud Creek (PM 8.9) and Paul's Slide (PM 21.6) on State Route 1 in the Big Sur area are closing due to the storm. Both locations are being treated separately.

- This advisory went out to the public to be prepared for closure of the roadway tentatively scheduled for Wednesday, 11/28/18 mid-morning due to a significant storm.
- A final notice will be sent when the roadway closes. Caltrans will have Geotech, Maintenance and Construction units on call and prepared to inspect/clean up during daylight hours when the storm ends and it is safe to be onsite again.
- The gates on either side of Mud Creek and Paul's Slide will be key locked.
    - These gates will not be manned when the highway is closed.
    - No one, including Emergency Services or Caltrans employees will be allowed access until a proper assessment can be made and any necessary cleanup has been completed.

Cal OES SOUTHERN REGION

- See Fire Activity Slides

Southern Region-Severe Weather Event

A significant rain event is forecast to impact several Southern Region burn scar areas Thursday with showers continuing through Friday.

- Heaviest rates at 0400-1000 and 1600-2000 hours.
- See Weather of Concern Slides for forecasted weather over burn scar areas.

Activations

- SREOC is activated at Level 2 in support of the storm event impacting the Southern Region.
    - A Shift: 1200-2400 hours
    - B Shift: 2400-1200 hours
- San Bernardino County EOC is activated at a Level 3 (low level)
    - On Wednesday, 11/27/18, 1100-1800 hours and Duty Officer status, 1800-0700 hours.
    - On Thursday, 11/28/18, the EOC will be activated at Level 3 (low level) from 0700-1900 hours.
- Riverside County EOC is activated at Level 3 (lowest)
    - A Shift: 0700-1900
    - B Shift: 1900-0700
- San Bernardino County EOC is activated at Level 3 (lowest)
    - A Shift: 0700-1800
    - B Shift: 1800-0700 (Duty Officer Status)

FIRE ACTIVITY

SOUTHERN REGION (Continued)

Woolsey, Vegetation Fire, Ventura/Los Angeles County (Continued)

Proclamations

- Director of Emergency Services for City of Thousand Oaks issued a local emergency proclamation for the city of Thousand Oaks in Ventura County due to the effects of the Hill and Woolsey fires, which have destroyed homes, threatened critical infrastructure and caused the evacuation of residents.
- Acting Governor Gavin Newsom issued an emergency proclamation for Los Angeles and Ventura counties due to the effects of the Hill and Woolsey fires, which have destroyed homes, threatened critical infrastructure, and caused the evacuation of residents. Click here to see full Proclamation.
- Acting Governor Gavin Newsom sent a letter to the President and FEMA requesting a Presidential Emergency Declaration for Direct Federal Assistance to support the communities impacted by wildfires burning across the state. Click here to see full Declaration.
- On 11/11/18, Governor Edmund G. Brown Jr. requested a Presidential Major Disaster Declaration to bolster the ongoing emergency response and help residents recover from devastating fires burning in Butte, Los Angeles, and Ventura counties. Click here to see full request.
    - On 11/12/18, a Presidential Major Disaster Declaration was approved to bolster the ongoing emergency response and help residents recover from devastating fires burning in Butte, Los Angeles and Ventura counties.
- On 11/11/18, Proclamations from the City of Westlake Village and the City of Agoura Hills, both in Los Angeles County, were received. The cities are requesting Gubernatorial Proclamations in Los Angeles County, the Governor to waive regulations that may hinder response and recovery efforts, CDAA, and expedited access to state and federal resources and any other appropriate federal disaster relief programs.
- On 11/13/18 a Proclamation of Local Emergency was received from the City of Malibu and the City of Calabasas. There are no requests for state assistance.
- On 11/13/18, Ventura County submitted a Local Health Emergency Proclamation due to unhealthful air quality and contaminated debris from hazardous waste, materials, and structural debris resulting from the destruction of residential and/or commercial structures created by the Hill and Woolsey Fires.
    - On 11/15/18, a Ratified Proclamation of Local Emergency and Ratified Proclamation of Local Health Emergency was received from the Ventura County Board of Supervisors.
- On 11/14/18, County of Los Angeles submitted a Proclamation of a Local Emergency for the Woolsey fire requesting a Gubernatorial Proclamation; that the Governor waive regulations that may hinder response and recovery efforts; CDAA; and expedited access to state and federal resources and any other appropriate federal disaster relief programs.
- On 11/14/18, Los Angeles County submitted a Declaration of a Local Health Emergency and Order prohibiting the endangerment of the community through the unsafe removal, transport, and disposal of fire debris.
- On 11/27/18 a Proclamation from the City of Hidden Hills in Los Angeles County was received. The city emergency manager proclaimed a local emergency on 11/19/18 due to the Hill/Woolsey Fire. The Proclamation was adopted by the City Council 11/16/18. The City is requesting the Governor proclaim an emergency, waive regulations hindering recovery efforts, assistance under CDAA and access to federal disaster assistance programs.

WEATHER OF CONCERN

Northern California

- Winter Storm Warning for the Sierra Friday night through Saturday.
- Flash Flood Watch for Camp Fire Burn Scar area in Butte County until tonight.
- Avalanche Warning for the Greater Lake Tahoe area this evening to Friday evening.
- Flash Flood Warning for Central Mariposa County and Southeastern Tuolumne County through this evening.
- Winter Storm Warning for the Tulare County Mountains and Sierra Nevada from Yosemite to Kings Canyon for this evening to Friday morning.
- Winter storm moves in this morning with the Sierra from Tahoe through Mono County expected to see more rain and snow.
    - With snow levels around 6,500 feet, travel will be impacted across all Sierra passes.
    - 4-8 inches of accumulation is possible for Donner Summit, Echo Pass, Mt Rose Summit, and passes on Hwy. 395 in Mono County
- Flash Flood Watch for the Ferguson Fire burn scar area through tonight.
- High Wind Watch for the Bay Area and Central Coastal Mountains through this evening.
    - 25 to 35 mph with gusts up to 55 mph.

Southern California

- Flash Flood Watch for the Holy, Cranston, Canyon 1 and 2 and Valley Fire burn scar areas Thursday morning to early Friday.
    - Rain will pick up this morning, with showers and isolated thunderstorms this afternoon through tonight.
    - Coast and valley areas around 0.5-1.5 inches total, with some mountain areas exceeding 4 inches.
- Flash Flood Warning for Mariposa County Foothills, especially near the Ferguson burn scar area along Highway 140 until 0915 hours this morning
    - Heavy rain at times will likely trigger rockslides, mudslides, and debris flow in steep terrain, especially in and around the burn scar area.
- A low pressure system is expected to move across California bringing significant rainfall through Thursday
    - 0.75 to 1.5 inches for coasts and valleys, and 1.5 to 3.0 inches for foothills and mountains.
    - Shallow mudslides and rock falls will likely occur near the Woolsey and Hills burn scars.
    - High 55 mph gusts in the mountains and 40 mph in the valleys/coasts.

WEATHER SYNOPSIS BY REGION

NORTHERN CALIFORNIA

- *** Heavy Rain could lead to pronounced runoff today ***
- Unsettled weather with three system passages next 7 days.
- Widespread wetting moisture today-tonight, Friday night through Saturday and once again earlier half of next week.
- Snow levels generally above 4000 ft today-tonight, lowering to around 3000 ft by Saturday.
- Confidence for area wide impacts earlier half of next week a little fuzzy still based on waffling weather model outputs.
- Periods of gustier pre-frontal SE-SW winds (gusts 30-40 mph) ahead of a couple of system passages favoring today(southern half) and Monday-Tuesday next week.
- Higher humidity and cooler than normal temperatures next 7 days.

- **SOUTHERN CALIFORNIA**
- Three Pacific storms will move inland over the West Coast through the middle of next week. The first storm will move inland over the San Francisco Bay Area this afternoon. The second storm will move inland over the Pacific Northwest Saturday morning. The third storm will move inland over the Central California Coast Wednesday night. Weak brief ridging will occur in between storms Friday and then again Sunday and Monday.
- Periods of rain, heavy at times, will move across the area through tonight.
- Most foothill and mountain locations will receive an additional 2 and 4 inches of rainfall and most coastal and valley locations will receive an additional 1 and 2 inches of rainfall through tonight.
- The snow level is currently around 8,000 feet, but it will drop to around 6,000 feet this evening.
- Scattered showers with light precipitation totals will occur over the Sierra Friday, but it will be dry elsewhere.
- Scattered showers will move across the entire area again Saturday.
- Most locations will receive less than a half inch of rainfall Saturday, but the Sierra will receive between a half inch and an inch of rainfall.
- The snow level will be around 5,000 feet Saturday.
- Periods of south to west winds of 20 to 40 mph with gusts to 60 mph will surface across the wind prone mountain and desert areas through Saturday night.
- Light winds and dry conditions will occur regionwide Sunday and Monday.
- Periods of rain will move across the area Tuesday through Thursday of next week, with a snow level of around 6,000 feet.
- Temperatures will be 5 to 10 degrees below normal through the middle of next week, with mid 30s to mid 40s across the mountains and mid 50s to mid 60s in the valleys.

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2018-LAW-56000 11/28/18, 1233 hours:** The Riverside County Sheriff's Department is requesting 4 High Water Vehicles to preposition to assist with possible evacuations due to an arriving severe weather event Thursday morning. The Operational Period for this request is 11/29/18 at 0600 hours through 11/30/18 (TBD). The resources are requested to report to the staging area at Diamond Stadium, 500 Diamond Dr. Lot C, Lake Elsinore, CA 92530 at 0600 hours. Thursday, 11/29/18. Cal OES Law Branch made the request to the California National Guard (CNG) Joint Operations Center (JOC) and it was approved. The Guard will provide (4) M1083 MTVs (High Water Vehicles) and personnel as requested. **Mission Ongoing.**

- **2018-LAW-55972 11/28/18, 0755 hours:** The International Emergency Response Coordination Center (IERCC) reporting an inReach device activation at coordinates: 36.576190 -118.294709, which plot to the John Muir Trail near the Mt. Whitney summit in Sequoia & Kings Canyon (SKC) National Park, Tulare County. The device R/O advised he lost contact with his hiking partner and is unable to locate her. **Update: 11/28/18, 0939 hours:** SKC NP has contact with the R/O (thru his device) and are directing him to a USFS Cabin (i.e.a hut) where there are supplies, sleeping bags, a heat source, etc. Due to impending severe weather including 60mph winds and up to 2' of snow over the next 24-48 hrs, the R/O will remain there overnight. SKC NP learned that the MP texted her husband at 0715 hrs. stating she was alive/well and attempting to make her way to the trailhead. Her location at time of the call was within a 1/3 mile from the inReach activation. No one has been able to reach her since. Due to the severe weather, they are unable to launch a helicopter and are requesting further assistance. AFRCC was requested to conduct cell phone forensics on the MP's mobile device. **1210 hrs.** IERCC advised that the R/O made it to the hut and will shelter in place until a rescue can be effected, which may be Thursday or Friday. **1642 hrs**. SKC NP received call from the MP who is about 2 miles from the trailhead. SKC requested mutual aid support from Inyo SO who are sending a ground team to assist her in exiting the park. LDO established contact with Inyo SO. **1914 hrs**. Inyo SO advised they were taking the MP to her vehicle which is outside the park. Regarding the R/O of the device, SKC NP advised there is a small weather window Thursday morning and CHP H-80 will attempt to airlift him out. If the window closes then the R/O will remain there until Friday when the weather is forecast to clear**. UPDATE: 11/29/18, 0704 hours:** SKC NP advised the 'weather window' is now between 0800-1100. CHP Air Op's is in contact with SKC NP and awaiting a determination whether a rescue is feasible. The R/O reported he is in the hut and in good condition; his inReach is still activated and is messaging periodically with SKC NP. IERCC briefed. **Mission Ongoing**
