COVID-19 Outbreak – Confirmed Cases in California

The Centers for Disease Control and Prevention (CDC) is closely monitoring and responding to the COVID-19 disease outbreak caused by SARS-CoV-2 virus, which originated in Wuhan, Hubei Province, China.

- On 01/30/20, the World Health Organization (WHO) declared a Public Health Emergency of International Concern (PHEIC) over the global outbreak of COVID-19.
- On 01/30/20, the U.S. Department of State has issued a Level 4 Travel Advisory (Do Not Travel) for all of China. This is the highest travel advisory level.
    - As of 03/01/20, US State Department and CDC Level 2-4 Travel Notices for COVID-19 are currently in effect for China, South Korea, Italy, Iran, and Japan.
- On 01/31/20, the United States Secretary of Health and Human Services signed a declaration for a Public Health Emergency in response to COVID-19. Per the order, Americans returning from Hubei Province, China, will be subject to a 14-day quarantine upon returning. Other Americans returning from other sections of China will be subject to screening for 14 days.
- On 01/31/20, President Trump signed a Presidential Proclamation temporarily suspending entry into the U.S. of foreign nationals that pose a risk of transmitting SARS-CoV-2. Foreign nationals other than immediate family of U.S. citizens and permanent residents who have traveled in China within the last 14 days will be denied entry into the U.S. at this time.
- On 02/08/20, CDC reported the first death of a United Stated citizen, which occurred in Wuhan, China.
- On 02/28/20, CDC reported the first death in the United States from COVID-19.
- WHO Dashboard, 03/03/20, 0700 hours: 91,783 confirmed cases of COVID-19 in 74 countries with 3,123 deaths reported worldwide.
- The California Department of Public Health (CDPH) has confirmed 1 individual in Alameda County, 1 individual in Humboldt County, 1 individual in Los Angeles County, 1 individual in Orange County, 1 individual in Placer County, 1 individual in Sacramento County, 2 individuals in San Benito County, 1 individual in San Mateo County, 7 individuals in Santa Clara County, 2 individuals from Solano County and 1 individual in Sonoma County (total of 19) have tested positive for COVID-19.
    - 13 (+4) of these cases have been reported as “Travel Associated”.
    - 10 (+5) of these cases has been reported as “Person to Person”.
    - 3 (-2) of these cases have been reported as “Community Acquired”.
    - 24 additional confirmed cases have also been reported amongst the individuals arriving on repatriation flights at military bases in California.
    - The total number of confirmed cases in California, including those from the repatriation flights, is 53 (+10).

Alameda County

- On 03/01/20, a Declaration of a Local Emergency was received from Alameda County Public Health. The county is not requesting any assistance at this time.

Marin County

- On 03/03/20 a Declaration of a Local Health Emergency and Public Health Emergency were received from Marin County. The County is requesting State and Federal Declarations, Director's concurrence and California Disaster Assistance Act (CDAA) funds.

Cal OES
GOVERNOR'S OFFICE OF EMERGENCY SERVICES

SITUATION SUMMARY

COVID-19 Outbreak – Confirmed Cases in California (Continued)

Proclamations (Continued)

Orange County

- On 02/26/20, a Proclamation of a Local Emergency was received from Orange County requesting Governor to request a State of Emergency, California Disaster Assistance Funds, a Presidential Declaration of Emergency, and aid provided by Small Business Administration.
- On 02/26/20, a Declaration of a Local Health Emergency was received from Orange County.

Placer County

- On 03/03/20, a Proclamation of a Local Emergency and Declaration of Local Health Emergency were received from Placer County requesting Placer County to be in the State of Emergency and the Governor request a Presidential Declaration.

San Francisco City/County

- On 02/25/20, a Proclamation of a Local Emergency was received from San Francisco City and County requesting that if there is a state declared disaster that the City and County of San Francisco to be added to the declaration for reimbursement purposes.

Santa Clara County

- On 02/04/20, Proclamations of a Local Emergency and a Local Health Emergency were received from Santa Clara County requesting a Gubernatorial Proclamation, a Federal Declaration, and disaster funding assistance through the California Disaster Assistance Act (CDAA), Federal Individual Assistance Act (FIAA), and U.S. Small Business Administration (US SBA).
- On 02/13/20, a letter was received from Santa Clara County withdrawing their request for CDAA & US SBA Disaster Declaration funding.
- On 02/19/20, a signed Ratification document was received from Santa Clara County for the novel Coronavirus Proclamation.

Solano County

- On 02/27/20, a Proclamation of a Local Emergency was received from Solano County. Solano County is not requesting state assistance at this time.

Sonoma County:

- On 03/02/20, the County of Sonoma declared a Local Public Health Emergency as well as a Local Emergency to respond to COVID-19. These proclamations will allow the county to prepare to respond for the possibility of community spread of COVID-19.
    - On 03/02/20 the City of Santa Rosa in Sonoma County proclaimed a local emergency. At this time, there is no request for operational area needs or state needs and no request for CDAA.

2020 Hepatitis A Outbreak, San Bernardino County

On 02/14/20 at 1545 hours, the CSWC received notification from the California Department of Public Health (CDPH) Emergency Preparedness Office (EPO) Duty Officer about a Hepatitis A (HEP-A) outbreak in San Bernardino County. Per the local health jurisdiction, as of 02/25/20, there are 46 Hepatitis A Virus (HAV) confirmed cases and 4 suspected cases, compared to just 3 HAV cases reported in all of 2018.

- Incident Date/Time: 02/13/20 at 1300 hours.
- Incident Type: Disease Outbreak
- Current Operational Area Medical & Health System Condition: Yellow – Under Control / No Assistance Needed
- Current priorities include monitoring the outbreak, conducting enhanced surveillance, providing epidemiological support to the outbreak response, increased promotion of health education activities amongst stakeholders serving at-risk populations, facilitating vaccination of at-risk populations, and promoting better sanitation in target zip codes.
- Communicable Disease Section (CDS), Environmental Health Services (EHS), and Laboratory (Lab) have been briefed on the situation.
- CDS, EHS and Lab are ready to activate to distribute HAV vaccines and provide education (pending status update from the planning team).
- San Bernardino County Department of Public Health (DPH), EHS, CDS, and Department of Behavioral Health (DBH) will continue to monitor the HAV outbreak until further notice.
- DPH/EHS/CDS/DBH are actively working to distribute educational material on HAV and sanitation practices to high-risk populations.

Activations

San Bernardino County Public Health Services DOC is activated at Level 3 (lowest)

- A Shift: 0800 – 1700 hours, Monday – Friday
- B Shift: Duty Officer status
